Subject: ADOLESCENCE COMMUNITY CARE

Harris Peter
Intervention close to home
Journal Title: Young People Now
2004 JUL 14th (243): 11 -
National Federation of Detached Youth Workers chair Peter Harris on street-based youth work

Ghose Dipika
Life in the Valleys
Journal Title: Young People Now
2004 JUL 14th (243): 14 - 15
How Valley Kids supports young people in the Rhondda Valley

DE CASTELLA
Effective communication with the text generation
Journal Title: Young People Now
2004 JUL 21 (244): 9 - 9
Reports on successful projects using text messaging to reach out to young people in need

LLOYD Tom
The uncomfortable facts behind homeless figures
Journal Title: Young People Now
2004 JUL 28 (245): 9 - 9
Questions how homeless young people who live in temporary accommodation will be helped if they are not included in the statistics

Subject: ALCOHOL DOMESTIC VIOLENCE

Laurent Claire
Dying for a drink
Journal Title: Public Health News
2004 JUL 26th (): 14 - 16
Alcohol is a factor in a third of domestic violence incidents, and half of all reported crime. As Ofcom publishes its new draft guidelines on TV alcohol advertising. Author looks at how the British binge drinking culture is taking its toll

Subject: ALTERNATIVE MEDICINE & THERAPIES EVIDENCE BASED HEALTH PATIENTS

ERNST Edzard
Clinical medicine - Complementary medicine: Beyond the fringe
Journal Title: Health Service Journal
Prof Ernst, Chair of Complementary Medicine at Plymouth’s Peninsula Medical School, argues that although patient choice may be for complementary therapies, it should only be integrated into routine healthcare if there is evidence of its efficacy.

Subject: AUDIT (clinical or nursing) MANAGEMENT

BEVINGTON Jay; HALLIGAN Aidan; CULLEN Ron
From zero to hero
Journal Title: Health Service Journal
2004 JUL 29 114 (5916): 26 - 27
How drastic measures transformed the zero star performance at Essex Ambulance Service Trust in a matter of months

Subject: BENCHMARKING PATIENTS INTERPROFESSIONAL RELATIONSHIPS

Denner Louise
Benchmarking patient privacy to improve essence of care
Journal Title: Nursing Times
2004 JUL 27th 100 (30): 36 - 39
This article details the steps taken by a staff at a large teaching hospital in the west Midlands who established a multidisciplinary group to benchmark privacy and dignity

Subject: BLOOD PRESSURE FAMILY PRACTICE SMOKING

RANSOME Sarah; GOWER Jan
Managing hypertension
Journal Title: Practice Nurse
2004 JUL 23 28 (2): 11 - 16
Explains how practice nurses can use GMS2 to optimise patients’ health and boost the income of the practice

Subject: CANCER GENETICS

Emery, John
Guideline will help GPs assess risk of familial breast cancer.
Journal Title: Guidelines in practice
2004 JUL 7 (7): 15 - 21
Reviews the NICE guideline on women at risk of familial breast cancer

THOMPSON Helen
Sun and skin cancer
Journal Title: Practice Nurse
2004 JUL 9 28 (1): 40 - 45
Thompson, a Cancer Research UK cancer information nurse, puts the case for raising awareness about the dangers of exposure to the sun

GRIFFITHS Alison
Making a support group work for patients
Journal Title: Professional Nurse
2004 AUG 19 (12): 22 - 24
Griffiths, a Macmillan nurse, discusses setting up a professionally led support group
to help gynaecological cancer patients cope with the diagnosis and treatment

Subject: CATHETERS URINARY TRACT INFECTION CONTROL

ADDISON Ray
Choosing a urinary catheter for short and long-term use
Journal Title: Professional Nurse
2004 AUG 19 (12): 41-44
Review looks at the advantages and disadvantages of a range of catheters

Subject: CHILD ABUSE SOCIAL WORK SEXUAL ABUSE

GILLEN Sally
Bichard tightens rules on reporting under-age sex
Journal Title: Community Care
2004 JUL 01 (1529): 18-19
According to Sir Michael Bichard, a protocol developed in Yorkshire could form the basis for national guidance for social workers to identify potential child abuse

BECKETT Chris
Child protection - Fatal flaws
Journal Title: Community Care
2004 JUL 15 (1531): 36-37
The claim that deaths caused by child abuse has fallen in Sweden due to the smacking ban is not totally accurate.

Subject: CHILD CARE EDUCATION

COHEN Bronwen
Child care - A Sure Start in Sweden
Journal Title: Community Care
2004 JUL 01 (1529): 36-37
How Sweden integrates child care and education

Subject: CHILD HEALTH SERVICES NURSE PRACTITIONERS

Smy, Janis
Speaking out for children
Journal Title: Nursing Times
2004 JUN 29 100 (26): 24-25
A profile of Joan Myers, the first nurse consultant for community children's nursing

Kidd Marie-Claire
A Strong Start
Journal Title: Public Health News
2004 JUL 5th (9):
Article tells how a new approach to child health could create the foundations for a healthy population

Subject: CHILD PROTECTION
SALE Anabel Unity
Are you on the A-List
Journal Title: Community Care
2004 JUL 29 (1533): 34 - 35
Report on how the central register (recommended by The Bichard Inquiry) for those working with children would operate

Chatterjee Mahua
Children's bill smacks of compromise
Journal Title: Nursing Times
2004 JUL 13th 100 (28): 12 - 13
As parliament debates a ban on smacking in the home, article reports on the implications for nurses

McKenzie, Shannon
Playing safe
Journal Title: Public Health News
2004 JUL 12 (): 17 -
The NSPCC estimates that 16% of children in the UK are sexually abused before they are 16 years old. The article looks at how a new alliance of key organisations is urging PCTs to play their part in developing a systematic approach to child protection

Subject: CHILDBIRTH WOMENS HEALTH

thompson June
Health problems of women following childbirth: part one
Journal Title: Community Practitioner
2004 JUL 77 (7): 267 - 268
First of a two parts looking at the causes and treatment of some common health problems women may encounter following childbirth

Subject: CHILDREN DIETARY FAT NUTRITION

SEELEY Annie
Children's menus flunk nutrition standards
Journal Title: Food Magazine
2004 JUL (66): 8 - 9
A new report on children's meals has uncovered a nutritional nightmare when eating out; from 141 menus analysed it was, more often than not, impossible to make a healthy choice

Subject: COMMUNITY HEALTH NURSING

WATSON R; ANDREWS JA; MANTHORPE J
Older community nurses: perspectives and prospects
Journal Title: British Journal of Community Nursing
2004 JUL 9 (7): 274 - 280
Report on a study into the options, decisions and outcomes for nurses over 50 in the NHS found that nurses in the community tended to be older than their acute counterparts

Mulcahy Helen
'Vulnerable family' as understood by public health nurses

**Journal Title:** Community Practitioner
2004 JUL 77 (7): 257 - 260

This paper represents part of the findings of a larger study examining the perceptions of participation within the nurse/client relationship as experience by public health nurses and mothers of vulnerable families.

Crouch David
Home is where the nurse is
**Journal Title:** Nursing Times
2004 JUL 27th 100 (30): 24 - 25

A new nursing service is providing specialist acute care to patients in their homes, freeing up hospital beds and improving their recovery rates and pain levels. Article looks at how it works

**Subject:** CONSENT CHILDREN PARENTING

GRIFFITH Richard
The issue of consent and children: who decides?
**Journal Title:** British Journal of Community Nursing
2004 JUL 9 (7): 298 - 301

Discusses parental responsibilities, rights of children over 16 and the "Gillick competent child"

**Subject:** CONTINENCE CHILDREN LEARNING DISABILITIES

Harris, Alison
Toilet training children with learning difficulties: what the literature tells us
**Journal Title:** British Journal of Nursing
2004 JUL 8 13 (3): 773 - 777

Little research has been done into assessing and treating urinary continence difficulties of children with learning difficulties and many questions remain unanswered. The main findings of the literature will support health and education professionals and carers involved in toilet training for children with learning difficulties

Booth, Frank
An agenda for action on continence
**Journal Title:** Journal of Community Nursing
2004 JUL 18 (7): 18 - 22

The article provides an overview of the state of continence care in the UK

**Subject:** DIABETES DIET

Dyson, Pamela
Type 2 diabetes: the role of diet in prevention and treatment
**Journal Title:** Journal of Community Nursing
2004 JUL 18 (7): 4 - 10

This article explores the link between diet and diabetes; it argues that the evidence suggests that a modest change in lifestyle including moderate weight loss and increased physical activity can reduce the risk of developing type 2 diabetes.

**Subject:** DIETARY FAT NUTRITION
Chicken - gone to fat
Journal Title: Food Magazine
2004 JUL  ( 66 ): 7 - 7
Examines the impact of modern farming on chickens and finds that they are fatter, have less nutrients and are no longer a healthier alternative to red meat

Subject: DRUG DEPENDENCE ALCOHOL MENTAL HEALTH

HOPKINS Graham
The max factor
Journal Title: Community Care
2004 JUL 8  ( 1530 ): 38 - 39
Report on a youth offending team which runs a progressive drug, alcohol and mental health project in Bristol

Burrell Katie
Shame on who?
Journal Title: Drug Link
2004 JUL  19 ( 4 ): 6 - 7
How families are fighting to rid themselves of the drug stigma heaped on them by society

Fernandez Jeff
A family affair
Journal Title: Drug Link
2004 JUL  19 ( 4 ): 12 - 13
Explains how family expectations changed the way one's drugs project treated heroin users from Bengali backgrounds

Subject: DRUG EDUCATION ADOLESCENCE

Trevett Nicky
The drug prevention ups and downs
Journal Title: Health Development Today
2004 AUG  ( 22 ): 24 - 25
Some school and peer education programmes can help prevent drug misuse, but we still have much to learn about drug prevention among young people.

Subject: ELDERLY PATIENT ASSESSMENT SOCIAL SERVICES

CLARKSON Paul; CHALLIS David
Older people - The assessment gap
Journal Title: Community Care
2004 JUL 15  ( 1531 ): 38 - 39
Clarkson and Challis from Personal Social Services Research Unit (PSSRU), look at the difficulties inherent in the single assessment process

Subject: EMERGENCY CARE PRIMARY HEALTH CARE COMMUNITY CARE

DAVIES Jeremy
Chronic disease: the need to keep a weather eye on a complex mechanism
Journal Title: Health Service Journal
2004 JUL 29  114 ( 5916 ): 12 - 13
The second of the HSJ series on Public Service Agreements states that in order to achieve the target, various components of the service will have to work together and provide improved care in primary and community settings and reduce emergency admissions.

Subject: EMPLOYMENT (incl. Unemployment) LAW PATIENTS

SALE Anabel Unity
Vulnerable adults - Barred from entry
Journal Title: Community Care
2004 JUL 22 (1532): 30 - 31
Report on how the statutory requirement for registered care providers in England and Wales to check if care workers are on the POVA (Protection of Vulnerable Adults) list before they are employed, will weed out unsuitable candidates.

Subject: EPILEPSY PRIMARY HEALTH CARE

Minshall Ian
The role of primary care nurses in the review of stable epilepsy
Journal Title: Nursing Times
2004 JUL 13th 100 (28): 38 - 41
Inclusion of epilepsy as a quality indicator in the new GP contract means practices are likely to ask primary care nurses to take a role in managing patients with stable epilepsy.

Subject: ETHICS EMPLOYMENT (incl. Unemployment) NATIONAL HEALTH SERVICE

CARLISLE Daloni
Ethical recruitment - Overseas recruitment: planet poaching or doing a world of good?
Journal Title: Health Service Journal
2004 JUL 15 114 (5914): 8 - 9
Poaching healthcare staff from developing countries has become taboo, but other issues such as compensation or the right of an individual to work in a global market have yet to be discussed.

Subject: EXERCISE AND SPORT CHILDREN

Pugh R
Body & Mind
Journal Title: Health Development Today
2004 AUG (22): 7 - 9
A playground games project is not only getting kids to exercise more, but is also improving their behaviour. Fitbods is in the North West.

Subject: FAMILY PRACTICE FOOD SAFETY HYGIENE

STEVENS Debbie
Nutrition - Hygiene in the home
Journal Title: Practice Nurse
2004 JUL 23 28 (2): 18 - 25
Explains how practice nurses can reduce food poisoning by conveying the commonsense precautions necessary for keeping food poisoning at bay.
Subject: HEALTH INEQUALITIES SCHOOLS COMMUNITY CARE

Jackson Pat
Extending the remit...
**Journal Title:** Community Practitioner
2004 JUL 77 (7): 247 - 248
A look at the impact and challenges that extended schools present in addressing health inequalities

Subject: HEALTH PROMOTION ADVERTISING LAW

LOBSTEIN Tim
Can good ads beat bad ones?
**Journal Title:** Food Magazine
2004 JUL (66): 18 - 19
Questions whether ads to promote health will have any impact and suggests that legislation could be more cost effective

Subject: HEALTH SERVICES HOMELESS PERSONS

Francois Judith
Pictures of Health
**Journal Title:** Community Practitioner
2004 JUL 77 (7): 249 - 250
An award winning project designed to signpost health services to asylum seekers

Subject: HIV & AIDS EDUCATION SEXUAL HEALTH

McKENZIE Shannon
Education - the best protection
**Journal Title:** Public Health News
2004 JUN 28 (28 June 2004): 12 - 14
Puts the urgent case for a new HIV education campaign since complacency has led to spiralling infection rates.

Fuber's Andrew
Aids - the feminisation of an epidemic
**Journal Title:** Public Health News
2004 JUL 26th (): 9 -
Women in the developing countries are suffering disproportionately at the hands of the HIV/Aids epidemic. Authors second report from the international Aids conference in Bangkok focuses on what can be done to help women avoid infection and why the 'ABC' approach to Aids prevention is not effective.

Subject: HOMELESS PERSONS SOCIAL DISADVANTAGE

TICKLE Louise
Housing special - Building support
**Journal Title:** Community Care
2004 JUL 01 (1529): 32 - 33
How housing associations are expanding their range of support services

**Subject: HOUSING SOCIAL SERVICES**

WINCHESTER Ruth; LEASON Katie
Housing special - The great divide  
**Journal Title:** Community Care  
2004 JUL 01 (1529): 26 - 29  
An in-depth look at the relationship between housing and social care

VALIOS Natalie  
Housing special - The missing link  
**Journal Title:** Community Care  
2004 JUL 01 (1529): 30 - 31  
Questions whether the crucial connection between decent housing and the protection of vulnerable children overlooked in The Children Bill, result in putting children at risk

**Subject: HYGIENE**

Shannon, Colleen  
Knife point  
**Journal Title:** Health Service Journal  
2004 JUL 8 114 (5913): 28 - 29  
The government, spurred on by an anticipated vCJD crisis, is calling for potentially expensive reform of instrument sterilisation services. The cash-starved sterilisation service is testing imaginative ways to do this.

**Subject: INFANT FEEDING (incl. Weaning) COUNSELLING ALLERGIES**

LEUNG Alexander KC; LEMAY Jean Francois  
Infantile colic: a review  
**Journal Title:** Journal of the Royal Society for the Promotion of Health  
2004 JUL 124 (4): 162 - 166  
Most cases are associated with cow's milk proteins but usually resolves itself by four months. Measures such as parental counselling and dietary modifications were found to be the main treatments.

**Subject: INFECTION CONTROL**

Infection control supplement  
**Journal Title:** Nursing Times  
2004 JUN 29 100 (26): 45 - 63  
This supplement covers: removing the stigma of sexually transmitted infection among women; measles and the importance of maintaining vaccination levels; prevention of Clostridium difficile in hospitals; the role of modern matrons in raising standards of infection control

Beckford-Ball, Jason  
Hainsworth, Terry  
The control and prevention of hospital-acquired infections  
**Journal Title:** Nursing Times  
2004 JUL 20 100 (29): 28 - 29  
Reviews the current status of hospital acquired infection and its control
CAMM John
What does it take to ensure effective hand decontamination by nurses?
Journal Title: Professional Nurse
2004 AUG 19 ( 12 ); 26 - 28
Describes a range of initiatives targeted at increasing awareness of hospital-acquired infection and achieving greater staff compliance

Subject: INTERMEDIATE CARE ELDERLY NATIONAL SERVICE FRAMEWORK
Negus Jennie
Improving care of older people through intermediate services
Journal Title: Nursing Times
2004 JUL 13th 100 ( 28 ); 34 - 36
Developed by Homerton University Hospital NHS Foundation in Hackney, East London. Article discusses two innovative approaches to meeting the NSF target

Subject: KIDNEY DISEASES FINANCIAL MANAGEMENT CHILD HEALTH SERVICES
TAYLOR Mark
Growing pains
Journal Title: Health Service Journal
2004 JUL 29 114 ( 5916 ); 24 - 25
Taylor, a paediatric nephrologist and chair of a nephrology advisory committee of the Royal College of Paediatrics, explains the commissioning crisis in paediatric nephrology due to staff shortages as a result of a lack of funds

Subject: LAW CHILD ABUSE CHILD PROTECTION
AXFORD Nick; LITTLE Michael
Focus on prevention
Journal Title: Community Care
2004 JUL 29 ( 1533 ); 42 - 43
An overview of research findings on how to make a preventative strategy on child abuse function

Subject: LEARNING DISABILITIES COMMUNITY CARE
COATES Sarah; BARNA Sara; WALZ Linda
Learning difficulties - A life more ordinary
Journal Title: Community Care
2004 JUL 8 ( 1530 ); 34 - 35
Report on the outcome for five people who had been moved into supported living in the community

Subject: MENS HEALTH ADOLESCENCE
Wildbore, Amanda
Opportunities to promote health to vulnerable teenagers
Journal Title: Nursing Times
2004 JUL 20 100 ( 29 ); 36 - 37
This article explores the opportunities for providing health promotion and healthcare services to young male offenders.

Baker, Brian
Male order
Journal Title: Public Health News
2004 JUL 12 ( ): 18 - 19
This article reviews a pioneering men's health project in Scotland.

Subject: MENTAL HEALTH LAW CONSENT

WINCHESTER Ruth
Mental capacity - Does the Bill add up?
Journal Title: Community Care
2004 JUL 15 ( 1531 ): 28 - 29
The new Bill takes into account criticisms of the draft but campaigners are still disappointed about some items of the Bill (www.dca.gov.uk/capacity/index.htm)

HAYES Derren
Services take another hit with miserable performance ratings
Journal Title: Community Care
2004 JUL 29 ( 1533 ): 20 - 21
Discusses whether mental health services can improve without government commitment when zero star rated mental health trusts have doubled and a third have only one star

Subject: MENTAL HEALTH PROMOTION

Krasner, Evelyn
Copeland, Jill
Mental health impact of neighbourhood renewal programmes
Journal Title: Journal of Mental Health Promotion
2004 JUN 3 ( 2 ): 8 - 16
Describes a framework for monitoring and evaluating progress in positive community mental health achieved by a neighbourhood renewal programme

Chu, Annette
Thorne, Alice
Guite, Hilary
The impact on mental well-being of the urban and physical environment: as assessment of the evidence
Journal Title: Journal of Mental Health Promotion
2004 JUN 3 ( 2 ): 17 - 32
Describes the findings of a literature review on the interface between physical environment and mental well-being

Subject: NATIONAL HEALTH SERVICE HEALTH PROMOTION

DALMENY Kath
Trust me, I'm a doctor
Journal Title: Food Magazine
2004 JUL ( 66 ): 10 - 10
Apparent endorsements by the NHS or health advocates such as Dr Hilary Jones
are being used to persuade the public to believe in health claims made by advertisers.

**Subject: NURSE PRESCRIBING NURSES, Teaching & Assessing PRIMARY HEALTH CARE**

JUKES M; MILLARD J; CHESSUM C  
Nurse prescribing: a case for clinical supervision  
**Journal Title:** British Journal of Community Nursing  
2004 JUL 9 (7): 291 - 297  
Article looks at primary care prescribing and its impact on mental health patients and puts the case for clinical supervision to assist in professional and political aspirations in support of supplementary nurse prescribing.

**Subject: NURSING ALLERGIES**

Strachan-Bennett, Seonaid  
O'Dowd, Adrian  
Nurses still run the risk of latex allergy  
**Journal Title:** Nursing Times  
2004 JUN 29 100 (26): 12 - 13  
Despite warnings, powdered latex gloves are still in use.

OXTOPY Kathy  
Choosing your specialty  
**Journal Title:** Nursing Times  
2004 JUL 6 100 (27): 22 - 25  
How to select the right specialty and what to do if you think you are in the wrong discipline.

Whyte Alison  
A pioneering role in airways nursing care  
**Journal Title:** Nursing Times  
2004 JUL 13th 100 (28): 24 - 25  
Claudia Russell is the UK's only trachostomy nurse consultant. She describes what it is like to be the first person in such a post.

**Subject: NURSING PROCEDURES HEALTH AND SAFETY**

Cooley, Candy  
Gabriel, Janice  
Reducing the risks of sharps injuries in health professionals  
**Journal Title:** Nursing Times  
2004 JUN 29 100 (26): 28 - 29  
The article reviews the data on the incidence of sharps injuries and the potential of new products with enhanced safety features.

**Subject: NUTRITION SOCIAL DISADVANTAGE HEALTH VISITING**

More Judy  
Is Healthy Start as healthy as it could be?  
**Journal Title:** Community Practitioner  
2004 JUL 77 (7): 245 - 246
Outline of the Healthy Start proposals due to replace the Welfare Food Scheme later this year

Mackway Alison
Hearts and minds
Journal Title: Public Health News
2004 JUL 5th ( ): 9 -
The reaction to 5 a day Norfolk among parents and children has been extremely positive. Explains how the team went about it.

Subject: OBESITY DIET

Gould Mark
From page three girl to public health: the red-top conversion
Journal Title: Health Service Journal
2004 JUL 01 ( 01 July 2004 ): 10 - 11
Gould discovers that the tabloids current interest in health is not simply horror stories or scandals but is driven by the public interest in celebrity fitness and diets

Foxton Julie
Actions to identify and reduce the risk of artherothrombosis in susceptible patients
Journal Title: Professional Nurse
2004 JUL ( July 2004 ): 30 - 33
Looks at primary and secondary prevention strategies to reduce the incidence of CHD, stroke and peripheral vascular disease

Rayner Geof
A new recipe for obesity prevention
Journal Title: Public Health News
2004 JUL 26th ( ): 10 - 12
Most studies of the obesity epidemic have concluded a need for strong leadership and integrated effort. Could the Scandinavian and north American models of food councils be the answer.

Subject: PATIENT EDUCATION PAIN CORONARY HEART DISEASE

Sale Anabel Unity
Long term illness - Patient, heal thyself
Journal Title: Community Care
2004 JUL 15 ( 1531 ): 34 - 35
Report on a programme which helps people manage their chronic illness. (EPP, Expert patients programme, pilots started in May 2002 and is based on self-management)

Subject: POST NATAL DEPRESSION HEALTH VISITING

Mc Conville Brigid
Banishing Hillfields’ Blues
Journal Title: Health Development Today
2004 AUG ( 22 ): 12 - 14
Postnatal depression and other problems facing young mums are among a range of issues being tackled by health visitors in North Bristol.
Subject: POVERTY CHILDREN DIET

SEELEY Annie
Parents go hungry to feed their children
Journal Title: Food Magazine
2004 JUL ( 66 ): 11 - 11
Food Commission poverty and diet survey has revealed food poverty among low income families

Subject: PREGNANCY HIV & AIDS

Reynolds, Kate
HIV infection and pregnancy
Journal Title: Journal of Midwifery
2004 JUL 12 ( 7 ): 432 - 436
The article outlines factors affecting the efficiency of vertical transmission of HIV and preventive measures in clinical midwifery practice. Specialist advice will ensure the most appropriate care and support for the HIV-positive patient

Subject: PRIMARY CARE TRUSTS INTERNET

Horth Andrea
Website Story
Journal Title: Health Development Today
