**TOBACCO**

**WOUND CARE & SURGERY**

The Royal Marsden School of Cancer Nursing and Rehabilitation provides specialist, clinically focussed, cancer education. We offer flexible, part time, programmes (including specialist modules), supporting those who wish to develop the knowledge and skills to improve care for cancer patients. Our programmes and modules are taught by clinically and educationally qualified staff.

Our programmes include:
- BSc (Hons) in Cancer Care
- Graduate Diploma in Cancer Care
- Post-Graduate Certificate Advanced Practice (Cancer)
- MSc Advanced Practice (Cancer)
- MSc Advanced Practice (Cancer Clinical Practitioner)
- MSc Advanced Practice (Cancer Nurse Practitioner)

We run a number of stand alone modules which are available throughout the year including:
- Mesothelioma Practice in Cancer Care
- Lymphoedema in Cancer Care
- Genito-Urinary Cancer Care
- Clinical Trials in Cancer Care
- Stem Cell Transplantation in Cancer Care
- Breast Cancer Care
- Gynaecological Cancer Care

Whether you are new to cancer care, or looking for a course which will support you as a specialist practitioner or service manager, we will have a course for you. For further details on any of these courses or for advice on the educational pathway to suit you, please contact us.
