Study Days
at The Royal Marsden Education and Conference Centre

Welcome to The Royal Marsden Education and Conference Centre study day programme. Our study days draw upon the wealth of knowledge and expertise of the clinical staff at The Royal Marsden and other organisations, who are leaders in their field. Whether you are looking for a general overview of cancer care or specialist knowledge which will support your role, we look forward to welcoming you.

22 May  Paediatric Brain Tumour Study Day - £80
www.royalmarsden.nhs.uk/paedbrain
This one day course is designed to provide delegates with an understanding of the treatments currently used to treat children with brain tumours, and to share experiences of supporting children and their families during this time.

30 May  Developing Nurse Led Chemotherapy Clinics - £100
www.royalmarsden.nhs.uk/nurseledchemo
This study day will give attendees the knowledge and expertise needed to run and set up nurse led chemotherapy clinics.

9 June  Oncoplastic Breast Surgery for Clinical Nurse Specialists and Nurse Practitioners - £100
www.royalmarsden.nhs.uk/oncoplastic
This course is aimed at nurse specialists who already have a basic knowledge and experience of oncoplastic breast surgery, but who wish to extend their understanding of oncoplastic surgery.

10 July  Tracheostomy Care Study Day - £100
www.royalmarsden.nhs.uk/tracheostomy
This study day will facilitate and enhance nurses and allied health professionals' knowledge and skills to care for adult patients with tracheostomy.

26 July  Co-ordinate My Care – A training day for nurses, commissioners and other healthcare professionals - £100
www.royalmarsden.nhs.uk/coordinate
CMC is a clinical service underpinned by an electronic solution, that coordinates care, giving patients choice and improved quality of life.

To view a full list of all our study days and conferences visit
