How to use

All the journals listed except the BMJ (this is available online) are held in the David Adams Library. Please note that the BMJ is now a fully online journal. This means that all of the references published here are available online, some may be published in the paper version others are not. For those employed by the NHS you will have access to the BMJ using your NHS Athens account. If you need help obtaining any of the papers listed here please contact your local library, for Marsden staff please contact the David Adams Library.
