Brain cancer

Validation of single-item linear analog scale assessment of quality of life in neuro-oncology patients (research) D Locke et al, J of Pain and Symptom Management 34(6) 2007 p628-638

International brain tumour awareness week (news) European J of Cancer Care 17(1) 2008 p3

Breast cancer

The use of the life course paradigm and life course charts to explore referral for family history of breast cancer (research) C Benjamin et al, International J of Nursing Studies 45(1) 2008 p95-109

Rallying cries at breast cancer conference (news) K Wingfield, Cancer Nursing Practice 6(10) 2007 p5

Why HER2 testing is essential (feature) V Harmer, Cancer Nursing Practice 6(10) 2007 p14-16

Diagnosis crisis in Ireland leads to patient recall (news) K Birmingham, Cancer Nursing Practice 6(10) 2007 p4

Immune response, depression and fatigue in relation to support intervention in mammary cancer patients (research) C Lindemalm et al, Supportive Care in Cancer 16(1) 2008 p57-65

Anemia during adjuvant non-taxane chemotherapy for early breast cancer: Incidence and risk factors from two trial of the International Breast Cancer Study Group (research) L Gianni et al, Supportive Care in Cancer 16(1) 2008 p67-74

Choosing the appropriate breast cancer therapy for today’s breast cancer patient (review) C Frankel, Seminars in Oncology Nursing 23(4 suppl 2) 2007 pS3-S9

Overcoming treatment challenges in advanced breast cancer (review) B Harkins et al, Seminars in Oncology Nursing 23(4 suppl 2) 2007 pS10-S16

Challenges of oral medications in patients with advanced breast cancer (review) F Palmieri et al, Seminars in Oncology Nursing 23(4 suppl 2) 2007 pS17-S22

The relative importance of specific risk factors for insomnia in women treated for early-stage breast cancer (research) W Bardwell et al, Psycho-Oncology 17(1) 2008 p9-18

Factors associated with breast cancer-specific distress in younger women participating in a family history mammography screening programme (research) B Henderson et al, Psycho-Oncology 17(1) 2008 p74-82

Hormone replacement therapy quadruples risk of breast cancers (news) S Mayor, BMJ 336(7636) 2008 p116

Black women have a higher risk of breast cancer than white women (news) R Dobson, BMJ 336(7636) 2008 p116

Exploring women’s experiences of TRAM flap breast reconstruction after mastectomy for breast cancer (research) O Hill et al, Oncology Nursing Forum 35(1) 2008 p81-88

Cancer cells in blood can identify risk of recurrence in breast cancer (news) European J of Cancer Care 17(1) 2008 p4

Cancer emergencies
Management of venous thromboembolism I the palliative care setting (educational paper) S Noble, International J of Palliative Nursing 13(12) 2007 p574-579
Obstructing sigmoid cancer in a patient with a large, tender, non-reducible inguinal hernia: the obvious diagnosis is not always the correct one (case report) G Sakorafas et al, European J of Cancer Care 17(1) 2008 p72-73

Cancer nursing
Cue-responding behaviours of oncology nurses in video-simulated interviews (research) R Uitterhoeve et al, J of Advanced Nursing 61(1) 2008 p71-80
Authentic performance appraisal: when home is the workplace (reflection) M O’Connor et al, International J of Palliative Nursing 13(12) 2007 p606-609
Ethnic fear creates ‘barrier to effective care’ (news) K Birmingham, Cancer Nursing Practice 6(10) 2007 p5

Nurse prescribing (feature) C Davis, Cancer Nursing Practice 6(10) 2007 p18-19
Assessing the value of a cancer clinical nurse specialist (review and discussion) A Sullivan et al, Cancer Nursing Practice 6(10) 2007 p25-28

Digital rectal examination – an holistic examination approach (educational paper) B Turner et al, Cancer Nursing Practice 6(10) 2007 p35-39

Years of cancer care rewarded (brief news item) Nursing Times 104(2) 2008 p4-5
Coping processes in a multidisciplinary healthcare team – a comparison of nurses in cancer care and hospital chaplains (research) M. Ekedahl, European J of Cancer Care 17(1) 2008 p42-48

Cancer teams lacking specialist nurse (brief news item) Nursing Times 104(4) 2008 p4

Cancer prevention
Lack of vitamin D is linked to heart disease and cancer (new) S Mayor, BMJ 336(7635) 2008 p62
The human papillomavirus vaccine and prevention of cervical cancer (position statement) ONS Board of Directors, Oncology Nursing Forum 35(1) 2008 p17

Cancer services
New five-year plan promises to improve NHS cancer services (news) K Birmingham, Cancer Nursing Practice 6(10) 2007 p4
Praise for staff forced out of burning hospital (news) T Snow, Nursing Standard 22(18) 2008 p6
Nurses praised for fire response (news) R Staines, Nursing Times 104(1) 2008 p2
Hospitals’ teamwork saves lives at Marsden (news) Health Service J 118(6088) 2008 p7
Leading cancer hospital resumes some services after major fire (news) A O’Dowd, BMJ 336(7635) 2008 p64
A former nurse has launched legal action (brief new item) Nursing Times 104(2) 2008 p5
Staff calm in spite of freezing temperatures and thick smoke (news) P Kendall-Raynor, 
Nursing Standard 22(19) 2008 p10
Cool heads and smart systems stop trust care combusting (feature on the Marsden fire) I 
Torjesen, Health Service J 118(6089) 2008 p12-13

Carers
Family caregivers’ assessment of symptoms in patients with advanced cancer: concordance 
with patients and factors affecting accuracy (research) C McPherson et 
al, J Pain and Symptom Management 35(1) 2008 p70-82
Distress and quality of life concerns of family caregivers of patients undergoing 
palliative surgery (research) G Juarez et al, Cancer Nursing 31(1) 2008 p2-10
Factors influencing family caregivers’ ability to cope with providing end-of-life cancer 
care at home (research) K Stajduhar et al, Cancer Nursing 31(1) 2008 p77-85
Effects of caregiving demand, mutuality, and preparedness on family caregiver outcomes 
during cancer treatment (research) K Schumacher et al, Oncology Nursing Forum 35(1) 
2008 p49-56

Chemotherapy
Measuring health-related quality of life and neutropenia-specific concerns among older 
adults undergoing chemotherapy: validation of the Functional Assessment of 
Cancer Therapy-Neutropenia (FACT-N) (research) L Wagner et al, Supportive Care in 
Cancer 16(1) 2008 p47-56
Amitriptyline in the treatment of chemotherapy-induced neuropathic symptoms 
(research) A Kautio et al, J Pain and Symptom Management 35(1) 2008 p31-39
The total neuropathy score: a tool for measuring chemotherapy-induced peripheral neuropathy (review) E Lavoie Smith et al, Oncology Nursing Forum 35(1) 2008 p96-102
Impact of neutropenia on delivering planned chemotherapy for solid tumours (research) S 
Khan et al, European J of Cancer Care 17(1) 2008 p19-25
The symptomatic benefit (the clinical benefit response) from the second-line chemo-
therapy in patients with advanced gastric adenocarcinoma (research) O Sencan et al, 
European J of Cancer Care 17(1) 2008 p26-32
Stability of preferences with regards to adjuvant chemotherapy: impact of treatment 
decision, experience and the passing of time (research) S Jansen et al, European J of 
Cancer Care 17(1) 2008 p74-83

Colorectal cancer
Vascular endothelial growth factor and psychosocial factors in colorectal cancer 
(research) A Sharma et al, Psycho-Oncology 17(1) 2008 p66-73

Communication
Preparing patients for threatening medical treatments: effects of a chemotherapy 
educational DVD on anxiety, unmet needs, and self-efficacy (research) P Schofield et 
al, Supportive Care in Cancer 16(1) 2008 p37-45
Complementary therapies
The use and perceived benefit of complementary and alternative medicine among Californians with cancer (research) M Goldstein et al, Psycho-Oncology 17(1) 2008 p19-25

Death and bereavement
Caring for bereaved people 1: models of bereavement (educational paper) H Walsh, Nursing Times 103(51) 2007 p26-27
Caring for bereaved people 2: nursing management (educational paper) H Walsh, Nursing Times 104(1) 2008 p32-33
Family members’ perceived needs for bereavement follow-up (research) A Millberg et al, J Pain and Symptom Management 35(1) 2008 p58-69

Education
Practising interprofessional teamwork from the first day of class: a model for an interprofessional palliative care course (educational paper) S Cadell et al, J of Palliative Care 23(4) 2007 p273-279
Teaching interprofessional teamwork in palliative care – a values-based approach (educational paper) A Pettifer et al, J of Palliative Care 23(4) 2007 p280-285
Sustainable practice improvement impact of the comprehensive advanced palliative care education (CAPCE) program (project evaluation) D Harris et al, J of Palliative Care 23(4) 2007 p262-272

Epidemiology and statistics
The UK and Denmark are still the countries with low all-cancer survival in Europe (editorial) A Molassiotis, European J of Oncology Nursing 11(5) 2007 p383-384
Ignorance of elderly Spanish people with regard to cancer (news) European J of Cancer Care 17(1) 2008 p4

Ethics
Anticipatory guidance to improve informed consent: a new application of the concept (research) A Yamokoski et al, J of Pediatric Oncology Nursing 25(1) 2008 p34-43

Families
Projective drawings as measures of psychosocial functioning in siblings of pediatric cancer patients from the Camp Okizu study (research) W Packman et al, J of Pediatric Oncology Nursing 25(1) 2008 p44-55
Parenting experiences with adolescent daughters when mothers have breast cancer (research) D Stiffler et al, Oncology Nursing Forum 35(1) 2008 p113-120
Supportive and palliative care needs of families of children who die from cancer: an Australian study (research) L Monterosso et al, Palliative Medicine 22(1) 2007 p59-69

Post-traumatic stress disorder in adolescent children of cancer patients (news) European J of Cancer Care 17(1) 2008 p4

The lived experience of closeness in partners of cancer patients in the home care setting (research) I Palm et al, International J of Palliative Nursing 14(1) 2008 p6-13

**Fatigue**

Fatigue in palliative care patients – an EAPC approach (review and guidelines) L Radbruch et al, Palliative Medicine 22(1) 2007 p13-32

Validation of the German version of the Cancer Fatigue Scale (CFS-D) (evaluation) M Kröz et al, European J of Cancer Care 17(1) 2008 p33-41

**Fertility**

Cancer patients should have equal access to fertility services () BMJ 336(7636) 2008 p112

**Gynaecological cancer**

Facing possible illness detected through screening – experiences of health women with pathological cervical smears () L Hounsgaard et al, European J of Oncology Nursing 11(5) 2007 p417-423

Pelvic exenteration – a multidisciplinary approach: selection and surgical management of the pelvic exenteration patient (educational paper) P Ramirez et al, J of Gynecologic Oncology Nursing 2007 17(4) p5-9

Update of GOG phase II clinical trials for ovarian, fallopian tube and primary peritoneal cancers (review) L Winkelman, J of Gynecologic Oncology Nursing 2007 17(4) p10-14

**Haemato-oncology**

Quality of life in stem cell transplant patients – a literature review S Liptrott, Cancer Nursing Practice 6(10) 2007 p29-32

Management of multiple myeloma (online cancer education forum) B Sirohi et al, European J of Cancer Care 17(1) 2008 p2

European Treatment and Outcomes Studies (EUTOS) (news) European J of Cancer Care 17(1) 2008 p3

Hepatic sinusoidal obstruction syndrome following hematopoietic stem cell transplantation (case study) T Krimmel et al, Oncology Nursing Forum 35(1) 2008 p37-40

**Head and neck cancer**

Florida nurse practitioners’ attitudes and practices regarding oral cancer prevention and early detection (research) X Meng et al, J of the American Academy of Nurse Practitioners 19(12) 2007 p668-675

First panic attack episodes in head and neck cancer patients who have undergone radical neck surgery (letter) K Shimizu et al, J of Pain and Symptom Management 34(6) 2007 p575-578
Providing effective support for patients facing disfiguring surgery *(educational paper)* B Bowers, British J of Nursing 17(2) 2008 p94-98

Leadership

Lung cancer

Diagnostic delay in lung cancer: a qualitative study *(research)* A Tod et al, J of Advanced Nursing 61(3) 2008 p336-343

Metastases

Adverse effects of bisphosphonates: current issues *(review)* I Diel, J of Supportive Oncology 5(10) 2007 p475-482

The benefits and costs of bisphosphonates *(viewpoint)* R Coleman, J of Supportive Oncology 5(10) 2007 p483-484

Nutrition

Who to believe? *(feature)* C Tomlinson, Cancer Nursing Practice 6(10) 2007 p6

Catering for appetite loss *(feature)* S Acreman, Cancer Nursing Practice 6(10) 2007 p7

Oral care

Comparison of oral health assessments between nursing staff and patients on medical wards *(research)* G Paulsson et al, European J of Cancer Care 17(1) 2008 p49-55

Paediatric cancer

Manual aids paediatric terminal care *(book review)* V Thompson, Nursing Times 103(51) 2007 p37

Does the number of exogenous infections increase in paediatric oncology patients when sterile surgical gloves are not worn for accessing Central Venous Access Devices? *(research)* S Hemsworth et al, European J of Oncology Nursing 11(5) 2007 p442-447

Validity and reliability of a new instrument to measure cancer-related fatigue in adolescents *(evaluation)* P Hinds et al, J of Pain and Symptom Management 34(6) 2007 p607-618

A multidisciplinary model of care for childhood cancer survivors with complex medical needs *(evaluation)* C Carlson et al, J of Pediatric Oncology Nursing 25(1) 2008 p7-13

An explanatory survey of nurses’ perceptions of phase I clinical trials in pediatric oncology *(research)* A Chang, J of Pediatric Oncology Nursing 25(1) 2008 p14-23

Identifying the attributes of threshold and higher level nursing practice for children’s cancer and palliative care nurses: the views of children, their parents and other stakeholders *(research)* C Hale et al, J of Research in Nursing 13(1) 2008 p9-20

Review: Identifying the attributes of threshold and higher level nursing practice for children’s cancer and palliative care nurses: the views of children, their parents and other stakeholders *(commentary and critique)* D Wright, J of Research in Nursing 13(1) 2008 p21-22
Paediatric cancer : psychosocial factors

Prevalence of aspects of distress, coping, support ad care among adolescents and young adults undergoing and being off cancer treatment (research) K Enskär et al, European J of Oncology Nursing 11(5) 2007 p400-408

Psychosocial functioning of young adolescent and adult survivors of childhood cancer (research) M Servitzoglou et al, Supportive Care in Cancer 16(1) 2008 p29-36

Adaptive style and differences in parent and child report of health-related quality of life in children with cancer (research) N Jurbergs et al, Psycho-Oncology 17(1) 2008 p83-90

Pain management

Assessing patients’ satisfaction and intensity of pain as outcomes in the management of cancer-related pain (research) V Panteli et al, European J of Oncology Nursing 11(5) 2007 p 424-433

Predictors and consequences of multiple persistent postmastectomy pains (research) I Kudel et al, J of Pain and Symptom Management 34(6) 2007 p619-627

Letter to the editor: Does pamidronate enhance the analgesic effect of radiotherapy? A randomized trial R George et al, Palliative Medicine 21(8) 2007 p719-720

Letter to the editor: Knowledge and attitudes to opioids in palliative care patients K Lambert et al, Palliative Medicine 21(8) 2007 p721-722

Pain management for the opioid dependent patient (project evaluation) D Wintle, British J of Nursing 17(1) 2008 p47-51

Clinical and demographic characteristics help explain variations in pain at the end of life (pain) S Strassels et al, J Pain and Symptom Management 35(1) 2008 p10-19

Should the rate of opioid dose escalation be included as a feature in a cancer pain classification system? (research) S Lowe et al, J Pain and Symptom Management 35(1) 2008 p51-57

Oncology nurses’ use of nondrug pain interventions in practice (research) K Kwekkeboom et al, J Pain and Symptom Management 35(1) 2008 p83-94

African American cancer patients’ pain experience (research) E Im et al, Cancer Nursing 31(1) 2008 p38-46

Cognitive impairment in cancer pain patients receiving opioids (research) G Kurita et al, Cancer Nursing 31(1) 2008 p49-57

Opioid-induced hyperalgesia: fact or fiction? (editorial) M Fallon, Palliative Medicine 22(1) 2007 p5-6

Subcutaneous sufentanil for palliative care patients in a hospital setting (letter) C White et al, Palliative Medicine 22(1) 2007 p89-90
Opioid use in dying patients in hospice and hospital, with and without specialist palliative care team involvement (research) W Brown, European J of Cancer Care 17(1) 2008 p65-71

Diagnosis and management of neuropathic pain in palliative care (review) S Callin et al, International J of Palliative Nursing 14(1) 2008 p16-21

The role of massage therapy in the relief of cancer pain (review) Y Liu, et al Nursing Standard 22(21) 2008 p35-40

Palliative care

Giving patients the option to die at home (editorial) P Moffat, International J of Palliative Nursing 13(12) 2007 p572

Terminal delirium: recommendations from bereaved families’ experiences (research) T Morita et al, J of Pain and Symptom Management 34(6) 2007 p579-589

A national guideline for palliative sedation in the Netherlands (special feature) M Verkerk et al, J of Pain and Symptom Management 34(6) 2007 p666-670

Obstacles to the delivery of primary palliative care as perceived by GPs (research) M Groot et al, Palliative Medicine 21(8) 2007 p697-703

Supportive and palliative care research collaboratives in the in the United Kingdom: an unnatural experiment? (editorial) S Payne et al, Palliative Medicine 21(8) 2007 p663-665

Needs of developing the skills of palliative care at the oncology ward (research) E Salminen et al, Supportive Care in Cancer 16(1) 2008 p3-8

Effect of hydromorphone on ventilation in palliative care patients with dyspnea (research) K Clemens et al, Supportive Care in Cancer 16(1) 2008 p93-99

Palliative care needs of cancer outpatients receiving chemotherapy: an audit of a clinical screening project T Morita et al, Supportive Care in Cancer 16(1) 2008 p101-107

Meta-analysis of survival prediction with palliative performance scale M Downing et al, J of Palliative Care 23(4) 2007 p245-254

Quality of life at the end of life for nursing home residents: perception of hospice and nursing home staff members (research) L Roscoe et al, J Pain and Symptom Management 35(1) 2008 p1-9

Dying patients need continuity of care (letter) A Sinclair-Penwarden, Nursing Times 104(3) 2008 p13

What are patients’ priorities for palliative care research? – a questionnaire study (research) P Perkins et al, Palliative Medicine 22(1) 2007 p7-12

Populations who die without specialist palliative care: does lower uptake equate with unmet need? (research) D Currow et al, Palliative Medicine 22(1) 2007 p43-50

Cancer specialists’ palliative care referral practices and perceptions: results of a national survey (research) C Johnson et al, Palliative Medicine 22(1) 2007 p51-57
Anticipating wives

Managing hormone preferences

Screening psycho-social factors

Prostate cancer

Bladder cancer

Pelvic cancer

Patient education

Information needs and decision-making preferences: comparing findings for gynaecological, breast and colorectal cancer (research) K Beaver et al, European J of Oncology Nursing 11(5) 2007 p409-416

Pelvic cancer

Bladder cancer: epidemiology, diagnosis, and treatment (review) P Creel, Seminars in Oncology Nursing 23(4 suppl 3) 2007 pS3-S10

Emerging agents for the treatment of advanced bladder cancer (review) E Manchen, Seminars in Oncology Nursing 23(4 suppl 3) 2007 pS11-S14

Case studies in the treatment of bladder cancer G Shelton, Seminars in Oncology Nursing 23(4 suppl 3) 2007 pS15-S19

Prostate cancer

Prostate cancer (educational paper) I Smith, Nursing Standard 22(18) 2008 p59

Hormone treatment plus radiation delays growth of prostate cancer, US study shows (news) J Tanne, BMJ 336(7635) 2008 p66

Quality of life for members of Swedish prostate cancer patient associations (research) P Fransson, Cancer Nursing 31(1) 2008 p23-31

Wives of men with prostate cancer postbrachytherapy (research) T Mason, Cancer Nursing 31(1) 2008 p32-37

Psycho-social factors

Screening for psychosocial distress: a national survey of oncologists (research) W Pirl et al, J of Supportive Oncology 5(10) 2007 p499-504

Managing depression: a nurse’s view (feature) G Innes, Cancer Nursing Practice 6(10) 2007 p22-23
Sertraline effectiveness and safety in depressed oncological patients (research) R Torta et al, Supportive Care in Cancer 16(1) 2008 p83-91

Decision-related uncertainties perceived by people with cancer – modelling the subject of shared decision making (research) J Kasper et al, Psycho-Oncology 17(1) 2008 p42-48

The relationship between coping strategies and anxiety in women from families with familial breast-ovarian cancer in the absence of demonstrated mutations (research) A Østertun Geirdal et al, Psycho-Oncology 17(1) 2008 p49-57

Computerised assessment of quality of life in oncology patients and carers (research) G Carter et al, Psycho-Oncology 17(1) 2008 p26-33

Being a mother with cancer: achieving a sense of balance in the transition process (research) E Elmberger et al, Cancer Nursing 31(1) 2008 p58-66

Radiotherapy

Radiotherapy is a ‘value for money service’ (news) K Birmingham, Cancer Nursing Practice 6(10) 2007 p4

Rehabilitation

Physical activity in patients with advanced-stage cancer actively receiving chemotherapy (review) M Clark et al, J of Supportive Oncology 5(10) 2007 p487-493

Determinants of adherence to exercise in women treated for breast cancer (research) A Daley et al, European J of Oncology Nursing 11(5) 2007 p392-399

Medical, demographic, and psychosocial correlates of exercise in colorectal cancer survivors: an application of self-determination theory (research) C Peddle et al, Supportive Care in Cancer 16(1) 2008 p9-17

Physical activity correlates and barriers in head and neck cancer patients (research) L Rogers et al, Supportive Care in Cancer 16(1) 2008 p19-27

Theoretical framework to study exercise motivation for breast cancer risk reduction (review) M Wood, Oncology Nursing Forum 35(1) 2008 p89-95

Self-reported comorbid conditions and medication usage in breast cancer survivors with and without lymphedema (research) S Ridner et al, Oncology Nursing Forum 35(1) 2008 p57-63

Arm morbidity and disability after breast cancer: new directions for care (research) R Thomas-MacLean et al, Oncology Nursing Forum 35(1) 2008 p65-71

Research

Patient information sheets (feature on documentation in clinical trials) T Camburn, Cancer Nursing Practice 6(10) 2007 p8-10

Designing a mixed methods study in pediatric oncology nursing research (educational paper) K Wilkins et al, J of Pediatric Oncology Nursing 25(1) 2008 p24-33

Methodological issues related to assessing and measuring quality of life in patients with cancer: implications for patient care C McCabe et al, European J of Cancer Care 17(1) 2008 p56-64

Screening

Screening for breast cancer misses targets (news) Health Service J 118(6090) 2008 p10
Sexuality

The longitudinal effects of cancer treatment on sexuality in individuals with lung cancer (research) J Shell et al, Oncology Nursing Forum 35(1) 2008 p73-79

Surgery

Survivorship

Stress and quality of life in brain cancer survivors (feature) J of Supportive Oncology 5(10) 2007 p496

Meeting the ongoing needs of survivors of rarer cancer (research) J Griffiths et al, European J of Oncology Nursing 11(5) 2007 p434-441

Survival prediction of patients with advanced cancer: the predictive accuracy of the model based on biological markers (research) N Kikuchi et al, J of Pain and Symptom Management 34(6) 2007 p600-606

Work disability associated with cancer survivorship and other chronic conditions (research) P Farley Short et al, Psycho-Oncology 17(1) 2008 p91-97

Symptom control

Cancer symptom clusters: a validation study (research) M Chen et al, J of Pain and Symptom Management 34(6) 2007 p590-599

Akathisia and an unusual symptomatic treatment: a case report I Back et al, Palliative Medicine 21(8) 2007 p713-715

Letter to the editor: Akathisia and an unusual symptomatic treatment S Maclaod, Palliative Medicine 21(8) 2007 p717

Letter to the editor: Use of nebulised adrenaline in the management of steroid-resistant stridor R Flockton, Palliative Medicine 21(8) 2007 p723-724

Letter to the editor: Intractable nausea and vomiting successful treated with granisetron 5-hydroxytryptamine type 3 receptor antagonists in Palliative Medicine D Buchanan, Palliative Medicine 21(8) 2007 p725-726

Levetiracetam for a treatment of hot flashes: a phase II study (research) S Thompson et al, Supportive Care in Cancer 16(1) 2008 p75-82

Managing treatment side effects in advanced breast cancer (review) S Moore, Seminars in Oncology Nursing 23(4 suppl 2) 2007 pS23-S30

Use of a single-item screening tool to detect clinically significant fatigue, pain, distress, and anorexia in ambulatory cancer practice ( ) Z Butt et al, J Pain and Symptom Management 35(1) 2008 p20-30
Opioid-induced bowel dysfunction (review) J Thomas, J Pain and Symptom Management 35(1) 2008 p103-113
Symptom cluster in adults with chronic health problems and cancer as a comorbidity () C Bender et al, Oncology Nursing Forum 35(1) 2008 p41 [online exclusive]
Clinical approaches to minimize rash associated with EGFR inhibitors (review) K Oishi, Oncology Nursing Forum 35(1) 2008 p103-111
Quality of life in patients with cancer (editorial) P Moffat, International J of Palliative Nursing 14(1) 2008 p4

**Tobacco**
British drinking declines and smoking reaches all time low (news) H Creagh, BMJ 336(7637) 2008 p178
Practice: 10 minute consultation: smoking cessation (educational paper) K Koplan et al, BMJ 336(7637) 2008 p217
