The SAGE Subject Collections are discipline-specific packages of the most popular, peer-reviewed journals in the following subject areas. A Collections subscription includes ownership of the subscribed content published by SAGE during the term of the agreement. Complimentary access dating back to 1999 (where available), is granted while a current subscription is maintained. A backfile is also available for each product, including access from 1998 back to volume 1, issue 1** (where available).
